PREFACE

This simple Alerting Service Bibliography is intended as a timely update for ERIC users who request the publication by mailing the Clearinghouse a self-addressed, stamped (10c) 9x12-inch manila envelope.

This bibliography includes books sent to the Clearinghouse for processing and review, but which are not applicable for inclusion in Resources in Education, ERIC's regular monthly catalog.*

Listing of these books does not in any way imply an endorsement of them. All books chosen for this publication deal in some way with libraries or media, but may not necessarily stress educational aspects of these fields.

*For ERIC users familiar with the processes of the Educational Resources Information Center, the books listed herein are Level III documents (copyright, available only from publisher) which are not listed in Resources in Education, due to new regulations which call for a minimum of Level III entries.
